EXPERIENCE

Front End Developer. Ad Samy. Oct 2022 - Dec 2022, Rahmaniyah, Dakahlia Egypt

• The work was done in a community of professional developers in all disciplines.

EXPERIENCE

Front End Developer. Ad Samy. Oct 2022 - Dec 2022, Rahmaniyah, Dakahlia Egypt

• Dealing with design software such as XD Figma. • There he dealt with many cllents of different Ideas.

• More than one project was built in this short period, as three huge projects were completed and delivered.

• I was working on my own for a long time due to some problems the company was having.

• The projects were built by both (JS React-html css-bootstrap-tailwindcss - Redux Toolkit ...)

EDUCATION

Bachelor's Management Information Systems, Management Information Systems (MIS) Egypt Higher Institute for commerce and Computers - Mansoura, Dakahlia, Oct 2024 Egypt

• GPA is very good.

• Another specialization in the field of the web.
